#### Comments

Struggled in four years of D1 college ball after being drafted by his hometown White Sox out of high school. Decent break on offspeed pitches. Does a good job of keeping the slider out of the zone low and gloveside to induce chases. Has kept the changeup low or outside and thrown exclusively to righties, paired with a high and outside fastball. Has struggled with location, and when behind in the count will throw his fastball 85% of the time. 27 walks in 19 innings last season with KZoo.
