Making his second appearance and first start for Fond du Lac this summer. Previously was hit hard at Wisconsin Rapids on Jul 11. Strong spring of work for Dyersburg State CC, committed to Charlotte this next season. Throws four different pitches, but approaches Right and Left handed hitters differently. Righties can expect to see more changeups, which has been his most effective pitch in inducing whiffs, despite not having the most break. Lefties can expect to see two different types of breaking balls: a slower curveball and a fast slider. Has trouble locating the breaking ball but it is very effective when it finishes at or below the knees. Each of his pitches has a BAA on Synergy of .300 or higher, so he can definitely be turned around.
