Comments

We saw Greiner on opening night, when he hit five batters to blow the save for TVC. Since then, Greiner has regained his control, going 9 innings with just 1 run. Submarine pitcher with low velocity but high deception. Throws both a four seam and sinker, the latter of the two has strong run and dip. Slider is very slow and spins like a frisbee to pair well with the sinker. Hangs a lot of sliders but usually gets away with it. Will mix in the changeup more against righties. All seven of the changeups he has throw this summer have been against the Battle Jacks.
