Comments

A starter by trade, has only been used as a reliever for Madison this season, causing him to use slightly more fastballs and to drop the changeup completely, not throwing it at all. Very solid slider, looks to have more vertical than horizontal break. Throughout his six summer appearances, his control has increased, but at the cost of lower strikeout rates. So far this summer, has thrown 92% fastballs to lefties, so it's safe to expect it on nearly every pitch.
