#### Comments

Left-hander out of Texas State making his first start with Kenosha. Pitched well in 17 innings of Valley League ball last summer. Pounds the zone with an average fastball that sits mid 80s with a BAA of .436. Slow, sweeping curveball with a lot of break and faster, horizontal slider. Will often throw a slow curve over with the first pitch to get a strike. Favors the slider to strikeout lefties and will seldom use a straighter (yet still effective) changeup low and away to righties. Offspeed BAA is only .111, so it's best to hit the fastball.
