Comments

Coming off a successful season for Illinois, Glassey is making his third start for Lakeshore. Spots his pitches well overall, but his walk rate has gone up this summer. Best pitch is a changeup that he keeps low in the zone, rarely letting it get at or above the belt. Rarely throws breaking balls to lefties (4%), expect more changeups, even to start at bats. Righties will see 72% first pitch fastballs, 67% of which are strikes and batters are hitting .333. Not easy to hit late in counts, excellently spots and changes speeds to strikeout hitters.
