## Comments

Rojahn throws a strong fastball with good life that he keeps elevated in the zone, making it a very difficult pitch to hit. Power pitcher, has focused more on blowing the fastball by guys than painting the outside corner this summer. High whiff rate on a good slider, can leave it in the heart of the zone but it usually works well off the fastball. Standard changeup that he often bounces. While his strikeout numbers are high, he will also put runners on base with 9BB in 10.1IP.
