Comments
Three starts into his second NWL season, Patel has been very consistently good since arriving at GA St. in 2021. Primarily a fastball-changeup pitcher. Against righties, mixes fastball and change around 50/50 with 2 strikes, but lefties see a changeup 63% of the time, 73% of the time on 0-2. Breaking ball has not been great or spotted well, and hitters are 3-for-4 with two 2Bs on the pitch in the calendar year. Only one walk in 15 innings this summer, so he will not give us any free bases.
