Comments

Alba has been the best man out of the pen this season for Lakeshore, with 9.1IP and 1ER. However, he also has allowed 12 walks. He has issued at least one free pass in each of his 6 appearances this summer. Did not pitch this spring for Eastern IL, but last season managed 12 walks in 6.2 innings. Alba has a standard fastball, and a changeup that moved horizontally more than vertically. He doesn't have lights out stuff, and if he continues to walk batters it's only a matter of time before his ERA skyrockets.
