Not a big sample size, data only comes from two appearances this summer. The saves leader in the Northwoods League has been great out of the pen. Fires in a strong fastball from an over the top delivery, paired with a sharp-hooking curveball. Strikes out batters at a very high rate, but also has the tendency to get wild. Four walks in his most recent appearance at KMO yielded two runs and a loss. 8 walks combined in his worst 3 games, while just 1 in his best 6.
